CITY MUNICIPAL COUNCIL,
P B No 17

Mysore, Dated 29-10-52.

FROM

The Municipal Commissioner,
CITY MUNICIPAL COUNCIL,
MYSORE

To 1552

The Secretary to Government,
L S G Department, BANGALORE-1.

(Through the President, C.M.C Mysore)

Sir,

Re Sweepers strike held in September 1948.

I wish to state that the sweepers and scavengers of this Municipality went on strike from 16-9-1948 as reported to the Secretary to Government, Revenue Department in this office references C2. P. 15/48-49 dated 17-9-48 and C. 515/48-49 dated - 21-9-48.

The sweepers called off strike on the assurance made by the Municipal Council to sanction a revision in their grade of pay from Rs. 15-½-20 to 18-½-22 with effect from 1-1-48. The Government were pleased to sanction the Council resolution in their order no. 3344-6/M1. 105-48-28 dated 28-9-1948.

During the period of sweepers strike 83 sweepers from the Municipalities of Bangalore City and Civil station were got deputed on 17-9-48 for the emergent sanitation work and they were detained in Mysore till the evening of 19-9-1948. To meet the To and Fro and feeding charges of these sweepers and for payment of extra labour charges for some of the sweepers of this city who loyally worked during the period of strike and to meet other contingent charges the Municipality had to incur an expenditure of Rs.1195-3-9. The Municipal Council in their resolution No752 dated 26-2-49 (copy enclosed) approved of the expenditure incurred in this behalf.

While seeking Government sanction for the enhancement of

of pay to sweepers this item of incidental charges of Rs 1195-3-9 was not brought to the kind notice of the Government as the Municipal Council was not aware of the exact amount of expenditure at that time. It took some time to collect the vouchers of expenditure from various Health Inspectors and others who were entrusted with the supervision work of the imported sweepers, and when a consolidated bill of expenditure was taken to audit for adjustment of advance, the Municipal Auditor observed that sanction of Government is necessary for admitting this item of expenditure A copy of the Audit objection is herewith enclosed for kind persual.

Under the circumstances, I request you kindly to obtain sanction of Covernment for the above expenditure and communicate the same at an early date. The expenditure which was debited to advance will be debited to final head of expenditure viz., E 10 for the current year.

Yours faithfully,

(F M Abdul Rahim)
Municipal Commissioner

Auditor's objection

Bills of expenditure incurred during the sweepers strike of 1947-48.

The objection raised on the bill for the year 1947 was withdrawn, on a satisfactory clarification of facts. Since Government were apprised from time to time that sweepers from outside were imported and that extra expenditure was incurred, the bill was adjusted on a broad interpretation made on the sanction of Government, laying special emphasis on the phrase " Extra expenditure " occurring in the G O.

The expenditure incurred during the strike period in 1948 cannot likewise be adjusted since Government were not apprised about importing of sweepers nor about the inevitable expenditure ~~to be~~ incurred thereon. The entrie correspondence has been about the revision of scales of pay etc., The sanction conveyed in G O. No L. 3344-6/M1 105-48-28 dated 28-9-48 does not indicate anything about the expenditure during strike period.

Hence sanction of Government may kindly be obtained for admitting this expenditure in audit.
